Pilot Classroom 104
Alen 750i HEPA Filter
Placed in all classrooms
Standard Classroom Setup

- Classrooms will have 14 desks with 6ft distance between each of them.
- Teachers have PPE kits including plexiglass shields to decrease risk.
- Students are required to wear masks correctly (covering nose and mouth) at all times and maintain 6 ft distance from others.
- Each classroom has a hand sanitizer dispenser, sanitizing spray and towels to increase opportunities during the school day for sanitizing.
