Dear Terra Linda Class of 2024 Student and Parents:

Congratulations to all our incoming freshmen for completing the 2019-2020 school year. Certainly no one could have predicted the year would end this way, and I recognize your last months of middle school were not what you had hoped for. The transition to high school is an exciting one. Despite the challenges we are currently facing, I am optimistic that your experience at Terra Linda High School will be full of intellectual and personal growth. As we enjoy our upcoming summer recess, the 2020-21 school year will soon be upon us. In preparation for the year ahead, we have tentatively scheduled an Orientation program for Monday, August 17th from 8:00 – 11:30 AM.

Orientation for freshmen will begin with the collection of their completed Orientation Packets in front of the Gymnasium. Please note, orientation packets will be mailed home over the summer in late July/early August. At Orientation, students will have a general welcome and introduction session and will visit six separate and specific orientation stations. Incoming freshmen, divided into groups of approximately ten students, accompanied by their “ASB” orientation leader, will move from station to station (at locations spread throughout campus) and be introduced to several campus policies and procedures, in addition to receiving their finalized class schedule. Incoming freshmen will also collect information regarding required school materials and behavioral expectations, clubs, and athletic participation and will have the opportunity to purchase a yearbook and an Associated Student body (ASB) sticker. With regard to athletic participation, students may access the online registration platform, FamilyID, through the athletics page on our website, https://terralinda.srcs.org/reg_procedures. If you already have an athlete at TL you likely have an account already and will just need to add your incoming athlete to the account and then register for the Fall sport in which they plan to try out. Beginning July 1, Fall sports (Football, Cross Country, Girls Golf, Girls Tennis, Girls Volleyball and Boys and Girls Water Polo) will be open for registration. If you have questions you may email the Athletic Department at eprovidenza@srcs.org or sfarbstein@srcs.org

While we have much work to do this summer to prepare for the fall semester, I am optimistic that we will gather together on campus in August. We will provide you with regular updates about our plans throughout the summer as more information becomes available through our Marin County Public Health Officer and the Marin County Office of Education.

Again, I will be in touch concerning any updates related to the school’s opening. In the meantime, I wish you a wonderful summer and I look forward to welcoming our students back to campus in August. If you have any questions, please feel free to reach out to me, assistant principals Lauren Inman (A-K) linman@srcs.org and Rob Celli (L-Z) rcelli@srcs.org, or counselors Matt Moore (A-F) mmoore@srcs.org, Eric Thompson (G-O) ethompson@srcs.org and Sue Gatlin (P-Z) sgatlin@srcs.org. Best wishes throughout the summer recess and again, welcome to Terra Linda High School!

Sincerely,

Katy Dunlap | Principal | Terra Linda High School | kdunlap@srcs.org
