STANDARDIZED TESTS TAKEN IN HIGH SCHOOL

ELPAC – The English Language Proficiency Assessments for California (ELPAC) is the successor to the California English Language Development Test (CELDT). Beginning in 2017–18, the ELPAC is the required state test for English language proficiency (ELP) that must be given to students whose primary language is a language other than English.

State and federal law require that local educational agencies administer a state test of ELP to eligible students in kindergarten (or year one of a two-year kindergarten program, sometimes referred to as “transitional kindergarten”) through grade twelve (ages 3-21). The ELPAC is aligned with California’s 2012 English Language Development Standards, and is comprised of two separate ELP assessments:

1. Initial ELPAC—an initial identification of students as English learners
2. Summative ELPAC—an annual summative assessment to measure an English learner’s progress in learning English and to identify the student's ELP level

SBAC - The Smarter Balanced Assessment Consortium is a student assessment system aligned with a common core of academic content standards for English language arts/literacy and mathematics. Smarter Balanced assessments are designed to measure student progress toward college and career readiness. In California, Universities and Colleges have agreed to use Smarter Balanced scores. Students can use their results to confirm their readiness for college and their score can allow them an opportunity to bypass remedial courses. All students in 12th grade take the science assessment. All students in the 11th grade take the math and English assessments.

CALIFORNIA STATE PHYSICAL FITNESS ASSESSMENT – for ALL students in 9th grade, even if not enrolled in Physical Education classes. This battery of tests must be passed in order to waive the state 11th & 12th grade Physical Education requirement.

ADVANCED PLACEMENT (AP) TESTS
AP exams are voluntary and may earn students college credits (check as colleges vary in assigning credit). Students qualify for Advanced Placement courses by teacher recommendation, class grade, testing, or in some courses through open enrollment. AP tests are offered in the spring. Tests cost $105 each and there is no discount for multiple tests. With proof of family need required by the AP College Board, AP test fees will be reduced to $53. No student will be denied the opportunity to take AP exams due to need.

COLLEGE ADMISSION TESTS
For specific information and dates of all college admissions tests, please check with your counselor. Please Note: None of the following tests are required for high school graduation.

PSAT (optional), a practice test for the SAT that is shorter and less difficult, is offered nationwide every October. San Rafael City Schools administers the test to all sophomores in college prep classes. The test consists of two parts – English and Mathematics. Juniors who score in the top 1% in the country are eligible for special recognition and scholarships.
SAT, a college admissions test covering English and math, is offered 7 times this year to juniors and seniors. Students may take this test as many times as it is offered. Four year colleges usually require students to take the SAT or ACT.

ACT, a college admissions test covering English, math, social studies, and science, is offered 6 times this year to juniors and seniors. Students may take this test as many times as it is offered. Four year colleges usually require students to take the SAT or ACT.

SAT Subject Test, covering specific subjects in more depth, is offered 6 times this year and is required by some 4 year universities for placement and entrance purposes. Colleges specify which tests students should take.

COLLEGE/CAREER CENTER

The College and Career Center (CCC) assist students with career decisions and post-secondary options for education and training after high school. The CCC offers a comprehensive guidance program freshman through senior year with numerous handouts available to students and parents. Students can receive job seeking skills, counseling, may obtain work permits, access a job board, and hear college representatives speak, take interest surveys, obtain scholarship applications, and check out reference material on local, national and international enrichment programs, the military, apprenticeships, private vocational technical schools, junior colleges and four-year universities.

POST-SECONDARY AND INTERNET COURSES

Any course taken for credit toward high school graduation that is not offered through the school must be preapproved by school administration before signing up for the course. Grade and credit for approved courses will be entered onto the transcript, and will be calculated into the GPA. However, course work completed at post-secondary institutions and/or over the Internet, will not be considered when determining recognition as valedictorian or salutatorian. (For more information on the procedure for determining Valedictorian and Salutatorian please see Board Policy AR 5127). Post-secondary courses and those taken over the Internet that are not approved by the site will not be entered onto the transcript. In such cases the student is responsible for obtaining their transcript directly from the institution and forwarding it to their college/university of choice. Any questions, please contact your counselor or site administration.

CALIFORNIA SCHOLASTIC FEDERATION (CSF)

Students must meet specific course and grade requirements to qualify for CSF membership. CSF applications for membership are available each September and February and they are due to the CSF advisor on a specified date. Late applications are not accepted. Dates and membership requirements are communicated to students through the Daily Bulletin and when picking up their application. Membership is not automatic; students must apply each semester on their own accord.

The California Scholarship Federation (CSF) emphasizes high standards of scholarship and community service for California high school students. Founded in 1921, CSF is the
oldest scholarship institution in the state. Membership in CSF is a wonderful advantage when filling out a college application.

CSF membership is based on grades for the semester before application; students must apply each semester. On the back of the application are lists of approved courses, five courses are required on the application. Each A is worth 3 points, each B is worth 1 point, and there can be no D’s or F’s. Non-academic subjects such as P.E. and Teacher’s Assistant are not eligible for application. Each student must have a minimum of 10 points to qualify. Freshmen are not eligible for membership until the second semester.

Life Membership (Seal bearer) is achieved by qualifying four or more semesters in the last three years of high school, and earns the CSF Gold Seal on diplomas and transcripts.

ATTENDANCE POLICIES

Good attendance is the foundation for academic success and readiness for college and the working world. At Terra Linda High School, we stress the value of punctuality and consistent class attendance. We expect students to be on time and attend every class to the best of their ability and circumstances, and for parents/guardians to support this value.

Students are required to attend classes in accordance with compulsory full-time education laws as defined in Ed. Code 48200. The three categories for attendance accountability are the following:

1. EXCUSED ABSENCES: An excused absence shall be granted for the following:
   • Personal illness
   • Quarantine under city or county direction;
   • Medical, dental, therapy, or chiropractic services.
   • Attendance at funeral services of an immediate family member, limited to one day if the funeral is in California and three days if it is outside of California.
   • Exclusion for not having been properly immunized. Such absence excused for not more than five school days.
   • For students who are the custodial parent of a child who is ill or has a medical appointment during school hours.
     • Jury Duty
     • Participation in religious instruction or exercises in accordance with District policy
2. **UNEXCUSED ABSENCES**: Per Education Code 48913 and Board Policy 6154, students may be permitted to make up any missed work for an unexcused absence. The decision to allow students to make up missed work is at the discretion of each teacher. Unexcused absences include, but are not limited to, the following:
- Unwarranted absence, oversleeping, car trouble or other transportation problems, truancy, and absence not cleared within three days after a student returns to school.
- Days students are suspended are considered unexcused absences.
- Students who participate in Senior Cut Day receive an “unexcused absence” since it is not a school sponsored event.

3. **WARRANTED ABSENCES**: A warranted absence may be requested for justifiable reasons, including, but not limited to, the following:
- Appearance in court
- Employment conference or interview
- School meetings which must necessarily be held during school hours
- Religious holidays or celebrations
- College visits (limit of three days per year)
- Bereavement beyond excused absence days

A warranted absence must be requested in writing; generally a week prior to the absence, and must be approved by a site administrator. Any absence under this section which was not requested in advance, and in writing, is considered unexcused.
- Warranted absence forms are available in the Attendance Office.
- The teacher of any class from which the student receives a warranted absence shall determine what assignments may or may not be made up and in what period of time the student shall complete such assignments.

**ABSENCES DUE TO FAMILY VACATIONS/TRIPS**

Family trips and vacations are not considered warranted absences, and are strongly discouraged because of the negative impact extended absences may have on a student’s academic performance. (Parents and guardians are encouraged to plan family trips and vacations outside the school year).

**CONTACTING THE ATTENDANCE OFFICE TO EXCUSE ABSENCES:**

It is the responsibility of the parent/guardian (and the responsibility of the student to remind the parent/guardian) to clear all absences using the procedures described below within three school days of the student’s return to school. If an absence is not cleared within three days, it will be considered unexcused regardless of the reason for the absence.

Parents/guardians must make sure that they have called the school or provided their child with a note explaining each absence within three days of the absence. The Attendance Office has voice mail that records messages 24 hours a day. Call 415.492.3116 to leave a message or email vknell@srcs.org. If the Attendance Office receives a call, the student may go directly to class when he/she returns to school.

If the parent/guardian does not call, the student must bring a note to the Attendance Office, signed and dated by the parent/guardian, which explains the reason for the absence upon return to school. Students can only deliver their notes before or after school or during brunch and lunch. The Attendance Office will not help students
during class periods or passing times unless they arrive late for school. The
Attendance Office is open from 7:30 a.m. until 4:00 p.m. Parents/guardians can call the
Attendance Office at any time for information regarding their child’s attendance.

If a student has an objection to the official status of a particular absence, he/she must
promptly discuss the matter with the teacher and/or the Attendance Office, outside of
class time. Excessive unexcused absences can result in Loss of Privileges, or referral to
the School Attendance Review Board.

ABSENCES DUE TO MEDICAL APPOINTMENTS

● Please respect instructional time by not scheduling appointments during your
student’s school day. Students are strongly urged to make appointments during
non-school hours.

● Appointments during School Hours: If the student has an appointment during school
hours, the parent/guardian must notify the Attendance Office by note or telephone
prior to the appointment. The student will be issued an Off Grounds Pass and may
leave campus. The student must present the pass to his/her teacher before leaving,
and the teacher must sign the pass. The student must have the pass in his/her
possession when leaving campus. The student must have the pass signed by his or
her doctor, dentist, etc. and must return it to the Attendance Office upon returning to
school, before going back to any classes.

● Teachers are to allow students to make up work missed during excused absences, to
the degree that it is possible for such work to be completed. Students may be asked
to submit written verification of their illness or injury from a health care professional if
they are absent for more than 3 consecutive days. Failure to submit such verification
may result in the absence being recorded as unexcused. After 14 absences for illness,
each subsequent absence will need to be excused by a doctor’s note (AR 5113)

ATTENDANCE CODES IN AERIES

Using Aeries is an effective way to monitor your student’s attendance. Below are
descriptions of the attendance codes used by the school.

● T - Tardy: This code is used when a student arrives to class after the bell rings, without a
pass, less than 30 minutes late.
● I - Illness: This code is used when a parent informs the attendance office that the student is
out sick.
● X - Excused: This code is used for doctor appointments without a medical note, college
visits (refer to attendance policy for more information), religious holidays, court, jury duty,
etc.
● H - Here: This code is used for school activities, such as field trips, assemblies,
standardized testing, etc.
● U - Unexcused Absence: Student is absent without a valid excuse. The UNX code will
trigger a truancy notification.
● P - Parent Unexcused: This code is used when a parent/guardian contacts the attendance
office, but the reason does not fall within one of the ‘excused’ categories. For example:
vacation, DMV appointments, unspecified “personal reason” or “family emergency”,
transportation problems (bus was late, car broke down, etc.). The UNX code will trigger a
truancy notification.
EIGHTEEN YEAR OLD STUDENTS:
Eighteen-year-old students may write their own attendance notes, up to 10 a year, and only after completing an 18 year old form with administration recommendation and parent permission. The form is available in the counseling/attendance office and will be approved based on good attendance, grades, and behavior.

TEMPORARY GUARDIANSHIP: Should the parent/legal guardian be unavailable to excuse a student’s absence, please inform the Attendance Office, in writing, of the name and contact information for the person who will be responsible for the student temporarily. A signature must also be on file prior to any excused request.

CLASS ABSENCES WITH A DOCTOR’S NOTE
Students who have a medical note excusing them from Physical Education or any other class must be given an alternative assignment. The purpose of the assignment is to create an alternate opportunity for students to demonstrate mastery of the material. In PE, if students are unable to participate in the regular PE program for 5 weeks or more, they may be dropped from the course and be required to complete the quarter later in their school career. Students who are completing the alternative assignment are still required to attend the class daily for attendance purposes. At that time the teacher will assign them a desk space where they will work on their alternative assignment or project.

CLOSED CAMPUS POLICY: With the exception of lunch, students must remain on campus in approved areas at all times during the school day. This also means that students are not allowed to be in the parking lot or leave campus during brunch. During lunch, freshmen, sophomores, juniors, and seniors may leave campus, but must return to their next class on time. Students who have excessive tardies or unexcused absences, in addition to disciplinary consequences, will be placed on LOP (loss of privilege) by administration until it is determined that they are eligible to leave campus at lunch. Specific areas always closed to students are the parking lot and other areas specified by administration. This information is shared with students at the beginning of the year.

OFF GROUNDS PASSES: No student may leave school grounds during the school day (except at lunch) without an Off Grounds Pass, even when accompanied by a parent/guardian. Leaving campus without an Off Grounds Pass will result in an unexcused absence in each class the student misses. Off grounds passes may be obtained in the Attendance Office. The Attendance Office is open to request Off Grounds Passes before school, during brunch and lunch only. The Attendance Office will not help students during class periods or passing times unless they are returning with an Off Grounds Pass or leaving in an emergency.

Off Grounds Passes are available for the following reasons:

- Illness/Injury at School: The student must notify his/her teacher and see the Attendance Office regarding the illness or injury. The Attendance Office will contact the parent/guardian for permission for the student to leave campus and issue an Off Grounds Pass. Only then is the student allowed to leave campus.
**THE TARDY POLICY:**
A student is considered tardy if a student arrives after the bell and instruction has begun.

A student who is tardy thirty minutes or more to a class receives an unexcused absence for the full period. When a student is more than 15 minutes late, the student must check in with the Attendance Office upon arrival at school. Students may be referred to SARB for being habitually late for more than thirty minutes for any period during the school day without a valid excuse.

**Consequences for Tardies**
- 5 or more tardies per week = Wednesday Lunch Detention
- Failure to serve a Friday Detention may result in a Restorative Justice referral and/or loss of privilege (LOP).
- LOP means you cannot participate in athletics, attend dances and/or games privileges.
- You are expected to check-in and out with the administrator or designee in charge of detention. You are expected to serve the entire period. **Students must arrive** to detention location **within five minutes** after the lunch bell rings.

**REFERRAL TO THE STUDENT ATTENDANCE REVIEW BOARD (SARB):**
According to Ed Code 48260, a student is considered truant “who is absent from school without a valid excuse three full days in one school year or tardy or absent for more than any thirty minute period during the school day without a valid excuse on any three occasions in one school year, or any combination thereof.”

The SARB process is as follows:
- **SARB 1** - students with ten or more unexcused period absences will receive a 1st letter notifying the parent/guardian. In addition, a meeting between the student and an assistant principal may be scheduled. Students will be issued detention for missed classes.

- **SARB 2** - students with twenty or more unexcused period absences will receive a 2nd letter notifying the parent/guardian. In addition, the school will schedule a parent/guardian-student-administrator Student Attendance Review Team (SART) meeting and place the student on an attendance contract. A student may also be cited by the San Rafael Police Department for truancy and referred to the YMCA Youth Court. This citation will be part of a student's record. YMCA Youth Court is a diversion program for nonviolent offenders.

- **SARB 3** – students with 60 or more unexcused period absences will receive a 3rd letter notifying the parent/guardian. A student may also be cited by the San Rafael Police Department for truancy and referred to the YMCA Youth Court. This citation will be part of a student's record. YMCA Youth Court is a diversion program for nonviolent offenders. Students may also be placed on Loss of Privileges (LOP) for one or more months and issued detention or Saturday School for missed classes. The school may make a referral to a SARB hearing which could result in the student being transferred from TLHS to Country Community School or an alternative educational placement.
TERRA LINDA HIGH DISCIPLINE POLICIES AND PROCEDURES

It is expected that all students are in good standing, which includes academics, attendance and behavior. When students fail to behave in an appropriate manner, they will be held accountable for their behavior while on campus, going to and from campus, and at all school-related activities. The school administration believes that the safety of the student body and the maintenance of a positive educational atmosphere on campus require a proactive approach to dealing with inappropriate student behavior. Ed Code regulations regarding discipline, suspension or expulsion apply “door to door”; that is from the moment the student leaves home to go to school until the student arrives at home after, or at any time if a student’s misconduct is related to a school activity or attendance. These regulations also apply while students are off campus at any time during the school day, or while traveling to or from, as well as while attending any school-sponsored event. These regulations will be applied in a fair and consistent manner.

Please refer to the Progressive Discipline Plan listed below for the Education Code language, and the guidelines used to respond to student violations of school rules and education code.

The California Education Code specifically identifies “hate-motivated behavior” under section 2 of AR 5144(h) 48900.3 as a suspendable and potentially expellable offense. Please see the language below.

1. Hate-motivated behavior is defined as any act or attempted act to cause physical injury, emotional suffering, or property damage through intimidation, harassment, bigoted slurs or epithets, vandalism, force, or threat of force motivated in part or in whole by hostility toward the victim’s real or perceived race, color, religion, ancestry, national origin, disability, gender, or sexual orientation.

2. Acts of hate-motivated behavior include, but are not limited to, criminal acts that are statutory violations and posting or circulating demeaning jokes, leaflets, or caricatures; defacing, removing, or destroying posted materials, announcements, or memorials, and the like; distributing or posting hate-group literature and/or posters; using bigoted insults, taunts, or slurs; and possession of hate-group literature, caricatures, and the like.

RESTORATIVE JUSTICE

In an effort to improve school climate, reduce the number of suspensions, and support constructive solutions for disciplinary referrals, TLHS utilizes a restorative practices aligned to our whole school PBIS - Positive Behavior Interventions and Supports practices. The goal of restorative justice is to keep students in school, support positive behaviors and choices, reduce recidivism, provide students with an equitable, supportive and respectful discipline process, and increase scholastic achievement.

Restorative Justice is a practice based on the belief that students may change their behavior when they understand how what they did impacted others. In order to support student’s learning, TLHS will offer Restorative Justice Practices to respond to certain types of student behaviors. Students may be offered the opportunity to participate in a Restorative Justice Circle. This process is designed to support the participants having mutual understanding and making a specific plan to repair the harm.

**Possible Disciplinary Consequences**

To the extent possible, staff shall use disciplinary strategies that keep students in school and participating in the instructional program. Consequences which may result from a violation of school rules include, but are not limited to, all of the following:

- Conference with the student and/or a parent or guardian
- Lunch Detention
- Payment of restitution for loss or damage
- Student contract governing behavior/attendance
- Confiscation of prohibited material or object
- Loss of privileges, including but not limited to, participation in athletic and other extracurricular activities, graduation, and senior activities
- Proof of alternative counseling as stated in student contract/suspension notice.
- Suspension, Expulsion
- Police Citation
- Involuntary transfer to another school
- Referral to Restorative Justice, Youth Court, or a meeting with a School Resource Officer.
- traditional and alternative

**Loss of Privileges Policy (L.O.P. List)**

All students are expected to behave in a manner appropriate to the high school setting, and be in good standing with regard to attendance, academics and behavior. We believe that the overwhelming majority of students will meet this expectation. However, failure to do so may result in a loss of privileges.

Loss of privileges include, but are not limited to, athletic attendance and participation, extracurricular attendance and participation including dances, loss of parking permits, loss of off-campus privileges, loss of senior activities and graduation participation, and suspension from ASB. A student may be placed on the LOP list for the following:

- **Unserved Detention**: If detentions are not served, students will be placed on the LOP list until detentions are served.
- **Excessive Unexcused Absences** (per SARB 1 letter or higher)
- **Discipline**: Privileges may also be lost as a result of disciplinary action from a suspension or referral. Students placed on LOP are not in good standing, and must consult with an administrator in order to earn back privileges.
Suspension Procedures
The following procedures will be followed in all cases involving suspension:

1. An administrator will hold an informal conference with the student to allow the student to present his/her version of the incident, evidence in his/her defense, and to advise the student of the reasons for the disciplinary action.
2. A telephone call will be made to the parents/guardians of the student on the day (within 12 hours) of his/her suspension and further notification in writing will follow.
3. Parents must respond to the school’s request for a conference without delay, as required by state law. A student’s suspension can be extended for more than five (5) consecutive days for a single incident if determined a student is a danger to himself or others.
4. Suspension beyond 20 school days during one school year may result in an involuntary transfer to another school.
5. Suspended students must remain under parental or guardian supervision and are not to be on the school campus or to attend school activities for the duration of the suspension.
6. A student with disabilities pursuant to the Individuals with Disabilities Education Improvement Act (IDEA, 2004) is subject to the same grounds for suspension and expulsion that apply to students without disabilities.

NOTE: The teacher of any class from which a student is suspended shall provide to the student all the assignments and tests the student would otherwise miss while suspended. The teacher may require the suspended student to complete any assignments and tests missed during the suspension. (Education Code 48913).

Suspension by A Teacher
A teacher may suspend any student from his/her class for any of the acts enumerated in Ed Code 48900 (except for defiance) for up to two class periods per week. Parents will be notified of the suspension by the teacher for out-of-class suspensions. As soon as possible, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension (Education Code 48910).

Disciplinary Referral Procedures
Consistent adherence to and consistent implementation of classroom, school and district wide expectations, along with consistent and timely follow through are essential to prevent disciplinary issues and like situations.

When it becomes necessary to write a referral for a student, the following guidelines/practices must be followed. All certificated staff must inform the student of the disciplinary issue and/or problem and employ all alternative means of correction (AMC) as appropriate to the offense.

We strongly recommend that ALL teachers adhere to the steps listed below BEFORE referring a student to the AP’s office. Be advised that every day is a new day and thus student discipline should be treated accordingly. Therefore, staff will take the following classroom management steps to approach disciplinary concerns/issues:

1. Warning/positive redirect
2. Review the behavior expectations
3. Time-out (not to exceed 10 minutes away from instruction)
4. Buddy Room
5. Phone call home
6. Teacher assigned detention
7. Teacher behavior contract

**Referral Process:** (This means that alternative means of correction’s AMC have failed and behavior has escalated to warrant the formal referral process.)

❖ **Teacher Initiated:** These referrals are for behaviors that are frequently disruptive and/or are repetitive, and have not improved with the prior teacher interventions as listed above. If the behavior is serious enough to warrant a referral, then the student will be sent and/or escorted to the main office immediately to meet with an administrator. In this case the administration handles referrals using our Progressive Discipline Plan under the mandates of AB 1729. Please refer to our Progressive Discipline Plan located in Appendix A as it is progressive in nature; thus, the consequences for behavioral referrals do become more serious with repeat offenses of negative behaviors in the classroom, campus, or community.

❖ **Note:** The student is given an opportunity to share their interpretation for the referral by first writing out their statement, and then meeting with an administrator.

**Behavioral Offenses**
Chronic inappropriate behavior will be subject to administrative review and may result in suspension, alternative school placement, or expulsion. This list represents many of the behavioral offenses that are not acceptable. It is by no means inclusive of everything. When in doubt, it is always good to ask. See Board Policy/AR 5144.  

**Please note:** All school rules are enforceable on the way to school, leaving school, during school lunchtime, while school is in session, when a student is truant from school, at school activities, to and from school activities on or off campus. The area of school supervision includes the campus, the perimeter of the campus and sidewalks on both sides of the streets adjacent to the school. All school rules are also in effect at ALL SCHOOL events and activities.

1. Failure to provide student identification when asked by any staff member. Failure to do so is defiance of authority. Students may show their school ID or another appropriate ID.
2. Forgery, including but not limited to forging a parent’s signature, altering any official signature, falsifying or altering documents, wrongful possession of school forms, or telephone impersonation.
3. Cheating, including, but not limited to claiming credit for work that is not your own, allowing others to claim credit for your work, or taking or using unauthorized material on a test.
4. Failure to serve detentions may lead to LOP, in-house suspension or an alternative form of consequence.
5. Use or possession of fireworks, tasers.
6. Speeding, reckless driving or campus parking violations.
7. Disrupting the teaching and learning process.
8. Gang activity, including dress, intimidating or menacing other students.
9. Throwing any object, including food or water balloons, or possession of balloons, squirt guns and other devices that dispense liquids.
10. Unauthorized use or possession of cell phones or other electronic device in class. Headsets should not be visible at any time during class. See Cell Phone/Electronics Policy.
11. Riding, carrying or using anything with wheels on campus including, but not limited to, skateboards, rollerblades, bicycles, and tennis shoes with wheels.
12. Littering, including, but not limited to, throwing food or other debris and/or spitting in inappropriate places (including the ground).
13. Profanity, gambling, intimidation or any form of initiation.
14. Failure to report to the office.
15. Attempted arson, bomb threats, filing a false fire alarm or police report.
16. Setting off a smoke bomb or other dangerous device; using a laser pointer.
17. Intimate contact / display, overt public displays of affection.
18. Food and drink in the classroom except for water.
20. Use of cell phone or any other electronic signaling device for cheating in class.
21. Violations of appropriate use of school computers, Internet or other technological equipment to include breach of privacy or security, transmission of copyrighted materials, threatening, harassing or obscene material, altering or removing of computer files not belonging to the user, disconnecting equipment or vandalism of any kind.
22. Unauthorized presence on another school campus during the school day, including minimum days and during finals.
23. Unauthorized use of cameras on campus including video, digital and cell phone cameras (recording, posting on social media and/or talking photos of students/staff).

Note: This list does not specify the only offenses for which a student may be subject to disciplinary consequences. It is intended only to indicate the kinds of offenses which may lead to disciplinary consequences. Again, please refer to the Progressive Discipline Plan listed at the end of the handbook in Appendix A for the Education Code language, and the guidelines used to respond to student violations of school rules and education code.

DRESS CODE POLICY

Students at Terra Linda High School are expected to dress in accordance with the school's mission of preparing students for college and the workforce. Student choice of clothing should support creating a climate that promotes academics and workforce readiness norms, and must not present a health or safety hazard.

POLICE OFFICERS ON CAMPUS

Law enforcement officers, in the performance of their duties, may question or arrest a student while the student is at school. The officer does not need permission from school authorities or the student’s parent or guardian before taking such action. The officer does, however, have to inform both the school and parent or legal guardian as soon as possible after taking such action.

CHEATING POLICY

Cheating is defined as using the work (words, writing, thoughts, ideas and products) of other persons without giving them the appropriate credit and/or presenting the work as your own. Some examples of cheating include copying another student’s work; copying answers on a quiz, test or assignment; copying text from a book and/or the Internet or other sources (also known as plagiarizing); or claiming a product as your own. Cheating also includes those persons who participate with anyone who is cheating or stealing the work of another. Use of cell phones during exams is considered cheating.

A student caught cheating or helping another student to cheat on exams or quizzes or plagiarizing an assignment shall:

- Receive a zero or “F” on that exam, quiz, paper, assignment, etc.
- Receive a written referral to a counselor or administrator
- Have their parents contacted
● Receive a detention or suspension, as appropriate
● Be class suspended for a second offense for cheating, or for a first offense on a final exam; immediate suspension from class.

Note: A graduating senior caught cheating on an exam during the spring semester will jeopardize his or her participation in graduation ceremonies, and status as valedictorian or salutatorian as well as receive the penalties listed above.

POLICY ON CELL PHONES AND ELECTRONIC DEVICES

The school is not responsible for lost and stolen cell phones or electronic devices.

Student use of cell phones on campus is only allowed before school, during brunch, at lunch and after school. Cell phone use is NOT allowed when classes are in session, unless with teacher permission for instructional purposes. During class, a visible and/or turned-on cell phone is a violation of the cell phone policy. Cell phones, headphones and earbuds are prohibited in the hallways and classrooms while class is in session. Consequences for failure to adhere to these guidelines are as follows:

All students will be advised of the policy during advisory, in the student handbook, and during the initial meeting with the principal.

● First Offense: Any staff member will confiscate cell phones and refer students to the Assistant Principals’ office for review of the policy and retrieval of property. The Assistant Principal will return the phone to the individual at the end of the next school day and may contact the parent to inform them of the infraction.

● Second Offense: The cell phone will be confiscated and turned into the Assistant Principal's' office. The parent/guardian of the student will be required to retrieve the phone from the Assistant Principal's' office no sooner than the end of the next school day.

● Third Offense: The student’s cell phone will be held by administration for a minimum of one week and the student will not be allowed to possess a cell phone on campus for the remainder of the school year.

● Fourth Offense: The administration will determine when the cell phone will be returned to the parent. For a fourth cell phone offense, the school has the right to hold the cell phone until the end of the year.

GENERAL INFORMATION

AIDS/HIV/SEX EDUCATION INSTRUCTION: While in school, students receive information about AIDS, including the transmission of the HIV virus. Please notify the school immediately ONLY IF YOU WISH THE STUDENT TO BE EXCUSED from AIDS/HIV or sex education instruction at any or all grade levels.

BILLS: Student and parents are notified of outstanding bills. Failure to respond to these notices will result in denial of student participation in athletics and extracurricular activities, including dances, until the bills are paid.
We are dependent on the return of books or replacement money to order additional copies. Students failing to adhere to their responsibility for school issued texts and other materials will lose privileges and will begin the school year on the LOP list.

The governing board of San Rafael City Schools, pursuant to Section 44808.5 of the Education Code, has decided to permit the pupils enrolled at Terra Linda High School to leave the school grounds during the lunch period.

Section 44808.5 of the Education Code further states:

Neither the school district nor any officer or employee thereof shall be liable for the conduct or safety of any pupil during such time as the pupil has left the school grounds pursuant to this section.

**CURRENT CLUBS AND COMMUNITY PROGRAMS:** Clubs and community programs are active and varied at Terra Linda High School. Our faculty has a long tradition of support for special interest organizations. Each year, new clubs form as student interest changes. All clubs at Terra Linda High School are open without restriction to all students. New clubs and community programs are formed when a charter request is approved by the Administration.

**EMERGENCY INFORMATION:** It is very important to have accurate information on file for each student in case of accident, emergency, or sudden illness. This information should be kept up to date at all times and include emergency contacts, all phone numbers, correct addresses, and current medical information. Notify the Counseling Office every time your information changes. If there is any disaster (earthquake, flood, etc.), students must remain at school until released to a parent or someone specified on the emergency card (unless they are 18 years of age).

**FOOD & DRINK IN THE CLASSROOM:** Eating and drinking are not allowed in classrooms during instructional time.

**NURSE:** A school nurse is on campus one afternoon per week and is responsible for health appraisals and necessary referrals of students. Appraisals may include evaluation, vision and hearing testing, health counseling, and emergency care. The nurse also serves as the liaison to staff, community agencies, and medical care facilities regarding health problems of specific students.

**PARKING:** Each fall, students must obtain new parking permits, required for on-campus parking. Applications are available in the Student Store. Due to limited student parking, only seniors may apply for a permit, and must do so when announcements are made in the Spring.

Permits must be properly displayed and only used for approved, registered cars. Vehicles that are parked illegally, parked in undesignated areas on campus, or without an approved permit are subject to being ticketed or towed and on-campus parking privileges may be revoked. Speeding or driving recklessly in the lot will result in loss of permit. If your child drives a vehicle to school, he/she may only park in a designated area or on a public street. EVEN THOUGH THE DISTRICT IS PROVIDING A DESIGNATED PARKING AREA, THE DISTRICT ASSUMES NO RESPONSIBILITY FOR LOSS, THEFT OR DAMAGE. Please
note that student vehicles are subject to searches by school administration and law enforcement in accordance with existing laws.

**PERSONAL PROPERTY:** Terra Linda High is not responsible for personal property brought to school. This includes any item not allowed in classrooms and/or on campus or an item used at a time that is not allowed. The list includes but is not limited to the following: cell phones, smartphones, IPods/CD players with earphones, tape players with earphones or the like are not allowed in the classroom. They may be used before/after school, at brunch and lunch. Boom boxes and movie/video cameras are not allowed at school. Special filming/videoing is only allowed as part of the curriculum, under teacher direction and/or with administration authorization. See discipline for other items not permitted at school. To reduce the loss of personal property, all students are urged to secure their belongings in hall lockers (PE lockers are provided only during PE class). **Students may not share lockers or disclose their locker combinations to others,** and at no time should they leave valuables in their lockers.

**PHONES:** Personal cell phones or other electronic devices are NOT to be used or visible during class time (unless with teacher permission for an academic reason), but may be used before/after school and during brunch and lunch. Telephones in the Administration and Counseling offices are available for student use during class time for urgent/emergency situations. Only emergency messages will be given to a student.

**PHYSICAL EDUCATION:** P.E. requires tee shirts and shorts purchased from the P.E. Department. These can be purchased the first week of school and from the P.E. Department throughout the year. Shoes appropriate for vigorous activities are required. If a student is not able to purchase P.E. clothing, then they must bring P.E. department-approved clothing from home.

**QUESTIONS, COMPLAINTS, AND CONCERNS:** If you have a question, compliment, complaint, or concern with a teacher or class, leave a voicemail for the teacher to request a conference. Call 485-2309, press the extension number, and leave a message as to when and where you may be reached. You may also email the teacher through the school website. The teacher should get back to you within three school days. **TOBACCO FREE SCHOOLS:** San Rafael is a tobacco-free school district. Possession of or use of tobacco and nicotine products, including electronic cigarettes, vaping devices and chewing tobacco, by students on school premises or at school-sponsored events is a violation of law and Board Policy and is not permitted. Students violating this policy will be subject to the following disciplinary procedures:

- First offense – detention, referral to an appropriate community “smoking cessation” program & parent meeting with student
- Subsequent Offenses – One to five day suspension in accordance with suspension procedures - Reference Bd. Policy 5131.62(a). Written parent/guardian notification to be sent by mail.

“The San Rafael City Schools, as part of our commitment to the health of our students and community, prohibits the use of tobacco products in agency owned or leased buildings, on
agency property and in all agency vehicles. This is in compliance with California Health and Safety Code, Section 104420 and any non-compliance will be enforced, as mandated by BP 3513.3, BP 5131.62, and BP 1330; enforced by AR3513.3 and AR 5131.62.

**TRANSPORTATION:** No school district transportation is available for students although Golden Gate Transit is easily accessible. Schedules are available from Golden Gate Transit. Pending Golden Gate Transit procedures, free bus passes may be available for students who qualify.

**TUTORING:** The Counseling Department oversees all on-site tutoring and outside resources for academic help. Adult and student tutors are available. Teachers, by prior arrangement, can provide students with extra help before and after school. Please contact the Counseling Office or for more information.

**VISITORS:** All visitors on campus are required to check into the office for a visitor’s pass. Students wishing to host a potential student must contact the Assistant Principal’s office at least 5 days in advance to schedule the visit. Visitors must be pre-approved and are not allowed to visit classrooms unless the visit has been set up ahead of time by the teacher. Student visitors to campus are restricted to those that are considering future attendance at San Rafael High School. We are not able to accommodate friends and relatives that simply wish to visit socially.

**PARENT ORGANIZATIONS**

Parent and community participation is welcomed and encouraged at SRHS. With the support of our organizations, our school continues to thrive. We encourage you to become involved in one or more of the many volunteer activities available.

- **OneTL:** OneTL is Terra Linda High’s parent organization and is the umbrella organization for our booster groups. OneTL leads fundraising efforts for the school, and coordinates volunteer, hospitality, campus beautification and faculty appreciation activities. OneTL serves as a communication link between the school and the home and holds regularly scheduled meetings to which all parents are invited. Meeting dates appear in the newsletter and on the website.

- **ATHLETIC BOOSTERS:** The Athletic Boosters help support the many athletic programs at Terra Linda High. Volunteers are involved in numerous fund raising activities to provide the funds so vital to the continued existence of athletic opportunities for our children. All families are invited to join and/or volunteer their help.

- **MUSIC BOOSTERS:** The Music Boosters are dedicated to the continuation of our music programs. Through fund-raising activities, they help provide students with musical instruments and equipment. They are also very active in lobbying to keep music alive in public schools.

- **DRAMA BOOSTERS:** The Drama Boosters are dedicated to the continuation of high quality drama classes and productions at Terra Linda High. They provide support through activities, from helping with productions to raise needed funds. They are also very active keeping the arts alive in public education.
• **ART BOOSTERS:** The Art Boosters are dedicated to the continuation of a high quality art program, and work to support the many consumable supplies for art use and shows.

• **SELAC:** The purpose of the School English Learner Advisory Committee (SELAC) is to advise the principal and school staff on programs and services for English learners.

**ATHLETICS**

Steve Farbstein, Athletic Director – 415-492-4130 sfarbstein@srcs.org

**FUNDING:** The district sets a yearly budget for extracurricular sports. This budget is to cover equipment, officials, uniforms, tournament fees, etc. Since these costs always exceed the budget, the Athletic Booster Club and students work very hard fundraising to fill in the gaps. Coaches’ salaries are paid by the district and are not included in the budget.

**PHYSICAL EXAM:** All students participating in extracurricular sports must have a physical exam on file each year. No student may participate in sports until an Athletic Participation Form, signed by student, parent and doctor, is on file. This indicates proof of insurance. The exam may be done by the student’s private physician or at a community clinic prior to participating in athletics.

**CODE OF ETHICS:** All participating students must read and sign a code of ethics for good sportsmanship. We hope that all spectators will also remember the principles of good sportsmanship when viewing athletic competitions.

**STUDENT ELIGIBILITY:** Eligibility requirements apply to all extracurricular activities including interscholastic athletics, spirit teams, student musical and dramatic performances, ASB, etc. Students not in good standing may lose eligibility for extracurricular activities.

The Marin County Athletic League requires the following for eligibility:

- A student must have passed 25 credits with a minimum un-weighted average GPA of 2.0 for the last grading period.
- A student must be passing 25 credits with a minimum 2.0 during the present grading period. Grades may be checked at any time. Students can regain eligibility by a **one-time waiver** in writing to the Principal.
- Transfer students must meet C.I.F. minimum requirements (20 credits passed) with a 2.0 G.P.A. in order to gain initial eligibility.

## Liability and Insurance Information

**Bicycles/Skateboards:** If your child rides a bicycle or skateboard to school, the bicycle may only be parked in a designated area. The bicycle/skateboard should be locked and it is left at the student's own risk. Skateboards are not allowed in the halls or classrooms. Bicycles and skateboards (or anything with wheels) must be walked onto and off campus, including the parking lot. This is a safety precaution. We also recommend helmets; please check the law for legal requirements. **EVEN THOUGH THE DISTRICT IS PROVIDING A DESIGNATED PARKING AREA FOR THE BICYCLES/SKATEBOARDS, THE DISTRICT ASSUMES NO RESPONSIBILITY FOR LOSS, THEFT OR DAMAGE.**

**Lockers:** Lockers are being provided as an accommodation to the students. Personal items should not be left in the locker overnight, on holidays or weekends. At no time should valuables be left in the lockers. **THE DISTRICT ASSUMES NO RESPONSIBILITY FOR LOSS, THEFT OR DAMAGE TO PERSONAL PROPERTY STORED IN THE LOCKER. (THIS INCLUDES PE LOCKERS AS WELL.)** This also includes personal property left anywhere on campus. **Students may not share lockers.**

**MISCONDUCT LIABILITY LIMIT OF PARENT FOR WILLFUL PUPIL:** Ed Code 48904(a)(1) provides that the parent or guardian of a minor is liable for all damages caused by the willful misconduct of the minor resulting in the injury or death of any pupil, school district employee, or school volunteer. The parent or guardian is also liable for damages to real or personal property belonging to the school district, or personal property belonging to a school employee, resulting from the willful misconduct of the minor. The liability of the parent or guardian is limited to $10,000, adjusted annually for inflation.

**Student Accident and Health Insurance Plans:** The School District does not provide accident/illness insurance coverage for students, and is generally not liable for student injuries. Affordable student accident and health plans are available to District parents for their children. While families may obtain applications from each school, the plans are offered and administered by independent insurance companies.

As noted above, federal laws, “No Child Left Behind Act”, require schools receiving federal funds to provide military recruiters, upon request, with three directory information categories – names, addresses and phone numbers – unless parents have advised the school that they do not want their student’s information disclosed without prior written consent. If you do not want San Rafael City Schools to disclose directory information from your child’s education records without your written consent, you must notify the school administrator in writing by September 30, of the current school year, or indicate as such on the Emergency Card.
