The AVID philosophy:

Hold students accountable to the highest standards, provide academic and social support, and they will rise to the challenge.

The mission of AVID is to ensure that all students, especially students who are the first in their family to attend college, will:

• Succeed in the most rigorous curriculum
• Participate in a wide variety of school activities
• Successfully matriculate to four-year colleges and universities
• Become educated, responsible participants and leaders in the community
